WOOD BIOMASS HEATING WORKSHOP

**GROUP RATES AVAILABLE: FIRST ATTENDEE @ FULL
PRICE, SECOND ATTENDEE @ \$75**

WEBINAR REGISTRATION AVAILABLE @ \$100/PP

Heritage Inn - Cranbrook, BC June 13-14, 2011

The workshop will include two days of sessions that will start with a site tour on Monday, June 13 of two potential thermal biomass heating projects in the area. The workshop will have an applied focus this year and will be 'hands-on' where attendees are encouraged to bring their project idea/plans 'as-is' and work through many project details over the two days of sessions. The event sessions will be interactive with experts from Europe and North America and will allow for technical questions to be addressed from participants. These experts will share in their understanding of the issues and requirements for developing effective project development plans.
